The title and ownership of said chattels, fixtures and appurtenances and equipments shall remain in the Seller, its successors and assigns, until the full purchase price including interest is paid in cash, and same shall always be and intended to remain personal property, even though attached to real estate, and the Buyer agrees not to so title it so that same shall not be removed without injury to the seller. The Buyer agrees to pay and be responsible to the Seller for all legal fees and expenses incurred by the Seller in the protection and/or enforcement of its right under this agreement.

The parties agree that special damages are not within the contemplation of the parties. Waiver by the Seller of one or more breaches in the terms of this contract on the part of the Buyer, shall not constitute waiver of any other breach.

Seller is not responsible for any delays due to strike, labor troubles or causes beyond our control. The Buyer agrees that if (1) it shall sell, offer to sell, secure, pledge, mortgage, store, lease, or remove the said chattels from the aforesaid place of business or permit or attempt to do any of the said acts, or if said chattels shall come into the possession of any other person without the written consent of the Seller or (2) in the event a petition of bankruptcy or under section 78 of the Bankruptcy Act is filed voluntarily or involuntarily by or against the Buyer herein, or an assignment for the benefit of the creditors is made by the Buyer or (3) in the event the Buyer is served with process or dispossessed in summary proceedings, or (4) in the event the Buyer ceases or discontinues business, or (5) in the event a judgment is obtained or taken out against the Buyer herein, then in the event of either one or more of the above occurring or permitted or attempted by Buyer then the entire amount or balance of the purchase price shall forthwith become due and payable. The Buyer also agrees to have above stated merchandise insured against fire, theft, water or damage. The parties agree that upon the failure of the Buyer to insure against fire, theft, water or damage from any and all causes, the Seller herein may insure the above property against fire, theft, water or damage from any and all other causes, and the Buyer agrees to pay the cost of the premiums so demanded. In case of damage or loss by fire, theft, water or other causes, the Buyer hereby agrees to pay to the Seller, its successors, or assigns, the amount due thereon, which shall be sufficient due and payable. The Buyer assumes the risk in the event that the policy of insurance for the benefit of the Seller has not been issued, and does agree, in the event of total or partial loss resulting from fire, explosion or any and all other causes, to continue to make payments in the same manner as if the property was not destroyed or damaged. And it is further provided that in case of loss, the Seller may apply the insurance or its proceeds to repair the above machinery, chattels, and fixtures, and the balance of the insurance or its proceeds to be applied towards the payment of the amount due and unpaid under this contract.

All price and delivery terms, memoranda, if written or oral, are hereby adopted and merged herein. The parties agree, that there are no representations, warranties, or conditions, express or implied, relating to or affecting the subject matter of this contract other than those, if any, specifically expressed in writing herein. This agreement constitutes the whole contract between the parties herein, and no agent or other representative of the Seller has the power to modify, add to, waive, or alter the provisions herein. This agreement shall not be assigned by the Buyer without the consent of the Seller.

The Buyer hereby waives and releases and shall forever waive and release the Seller, its agents or employees from any claim or action for property damages and for personal injuries arising or incurred by the Buyer through the negligence, carelessness or recklessness of the Seller, its agents or employees or for any cause whatsoever.

It is further agreed and understood that in the event of any litigation or dispute arising in any court or legal tribunal between the parties herein, both parties herein and hereby waive and will forever waive their respective rights of a trial by jury.

In the event that any portion of this agreement is determined by any court or legal tribunal to be void, illegal, unenforceable or unenforceable, such a determination shall not void or affect the validity of the remainder of the terms and conditions of this agreement. It is further agreed that the Buyer will not claim any waiver of any of the terms and conditions of this agreement without first securing such waiver in a written instrument signed by the Seller herein.

Should there be any services rendered or merchandise, fixtures and appurtenances desired which are not herein specified, it is hereby agreed that the same shall not be part of this agreement, but that it shall constitute a separate and independent contract and be separately paid for, and further agree that any payments made by the Buyer shall first be applied to the payment of all open bills and all work and materials furnished, which are not specified herein.

The Buyer shall pay all taxes on the property while in its possession. The Buyer agrees to pay manufacturers or sales tax payable on this transaction under any effective statute in addition to the purchase price herein.

This mortgage is upon the statutory condition, and upon the further conditions:

That the mortgagor shall keep the buildings now or hereafter standing on said premises insured against fire and (when required by the mortgagee) also against other casualties and contingencies, in sums satisfactory to the mortgagee; and all insurance upon said buildings shall be for the benefit of, and first payable in case of loss, to the mortgagee, and the mortgagor shall deposit all of said insurance policies with the mortgagee.

And we hereby agree that in case the Grantee's loan on this mortgage is not exempt from a State Tax, said Grantee and those claiming under them shall on demand pay said Grantee the same percentage on the debt hereby secured as it shall from time to time be required to pay as such State Tax, and shall keep the buildings on said premises insured against fire in a sum satisfactory from time to time to the Grantee or its assigns, all insurance to be for the benefit of and first payable in case of loss to the Grantee or its assigns, all such insurance policies to be deposited with the holder hereof, and in case of any default in respect of such taxes, assessments or insurance, shall pay to the Grantee or its assigns on demand, such amount as it or they may expend for taxes, assessments or insurance, with interest.

And it is agreed that in case a transfer of the policy or policies of insurance shall be made to the purchaser at a sale under this power, then the value of such policies when received shall be added to and constitute a part of the proceeds of such sale.

And it is agreed that if the debt secured hereby shall not be paid when due, the Grantee or its assigns shall be entitled to thirty days' notice in writing before payment, unless foreclosure proceedings have begun; that in case any default in the condition of this mortgage shall exist for more than thirty days the entire mortgage debt shall become due at the option of the Grantee or its assigns; that in case of a foreclosure sale the grantee or its assigns shall be entitled to retain one per cent of the purchase money in addition to the costs, charges, and expenses allowed under the Statutory Power of Sale; and in case proceedings to foreclose have been begun, the Grantee or its assigns shall be entitled to collect all costs, charges and expenses up to the time of payment.

This mortgage is upon the STATUTORY CONDITION, for any breach of which the MORTGAGEE shall have the STATUTORY POWER OF SALE.

Including as a part of the realty all portable or sectional buildings, heating apparatus, plumbing, ranges, mantels, storm doors and windows, oil burners, gas and oil and electric fixtures, screens, screen doors, awnings, air conditioning apparatus, and other fixtures of whatever kind and nature, on said premises, or hereafter placed thereon prior to the full payment and discharge of this mortgage, insofar as the same are or can by agreement of the parties be made a part of the realty.

This mortgage is upon the statutory condition, and upon the further conditions:

First. That the undersigned and each subsequent owner of the equity of redemption of the real estate at any time covered by this mortgage, shall at all times be a member of the said Co-operative Bank, and shall hold one or more unmaturred, paid-up or matured shares, in his own name; and that the provisions of Chapter 170 of the General Laws as amended (Acts of 1941, Chapter 293) and any amendments thereof shall at all times be complied with; and failure to comply with this requirement shall constitute a breach of condition of this mortgage, for which the unpaid balance of the loan secured by this mortgage shall become due and payable forthwith, at the option of the said Bank;

Second. The Mortgagee is hereby specifically authorized to pay when due, or at any time thereafter all municipal taxes, water bills, charges and assessments, and insurance premiums, upon the mortgaged property and to charge the same to the account of the Mortgagor. In order to provide the Mortgagee with sufficient funds with which to make said payments, the Mortgagor shall pay to the Mortgagee on the third Tuesday of each month in addition to the payments of principal and interest provided for in the note secured by this mortgage, a monthly apportionment of the sum estimated by the Mortgagee to be sufficient to make all said payments as they shall become due, and any balance due for any of said payments shall be paid by the Mortgagor. If at the time of making any of said payments said Mortgagee has not received from said Mortgagor under the provisions of this paragraph sufficient funds to pay the same, the Mortgagee shall forthwith notify the Mortgagor by mail sent to his last known address, and shall request him to pay to said Mortgagee within ten days thereafter the balance due on said payment and the failure of said Mortgagor to pay to the Mortgagee such sum within said period shall be a breach of the condition of this mortgage;

Third. That the Mortgagor shall keep all and singular the said premises in such repair, order and condition as the same are now in or may be put in while this mortgage is outstanding, reasonable wear and tear and damage by fire only excepted, and shall not permit or suffer any violation of any law or ordinance affecting the mortgaged premises. The Mortgagor shall keep the buildings now or hereafter standing on said land insured against fire and (when required by the Mortgagee) also against other casualties and contingencies, in sums satisfactory to the Mortgagee; and all insurance upon said buildings shall be for the benefit of, and first payable in case of loss to the Mortgagee, and the Mortgagor shall deposit all of said insurance policies with the Mortgagee;

Fourth. That failure to comply with any of the other conditions under which this mortgage is written or failure to pay any of said installments within thirty (30) days from the date when the same becomes due notwithstanding any license or waiver of any prior breach of condition shall make the whole of the balance of said principal sum immediately due and payable at the option of the holder hereof.

For any breach of the statutory condition or for any breach of any condition of this mortgage the Mortgagee shall have the statutory power of sale.

In the event the ownership of the mortgaged premises, or any part thereof, becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to the mortgage and the debt hereby secured, in the same manner as with the Mortgagor, without in any way vitiating or discharging the Mortgagor's liability hereunder or upon the debt hereby secured. No sale of the premises hereby mortgaged and no forbearance on the part of the Mortgagee and no extension of the time for the payment of the debt hereby secured given by the Mortgagee shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein, either in whole or part.

Wherever the words Mortgagor and Mortgagee are used herein they shall include their several heirs, executors, administrators, successors, grantees and assigns subject to the limitations of law and of this instrument, and if the context requires, the words Mortgagor and Mortgagee and the pronouns referring to them shall be construed as plural, neuter or feminine.

In case this loan is paid in full within one year from the date hereof, the Bank reserves the right to charge one full year's interest thereon.

1. The Mortgagor covenants that he will promptly pay the principal of and interest on the indebtedness evidenced by the said note, at the times and in the manner therein provided. Premise is covenanted to pay the debt in whole, or in an amount equal to one or more monthly payments on the amount due next due on the note, on the first day of any month prior to maturity; provided, however, that upon notice of an intention to exercise such privilege is given at least thirty (30) days prior to maturity, and, provided further, that in the event the debt is paid in full prior to maturity and at that time it is insured under the provisions of the National Housing Act, he will pay to the Mortgagee an adjusted premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the Mortgagee upon its obligation to the Federal Housing Commissioner on account of mortgage insurance.

2. In order more fully to protect the security of this mortgage, the Mortgagor, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, covenants to pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

- (a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of the annual mortgage insurance premium for the purpose of putting the Mortgagee in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Commissioner for mortgage insurance premiums pursuant to the applicable provisions of the National Housing Act, as amended, and Regulations thereunder. The Mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner.
- (b) A sum equal to the ground rents if any and the taxes and special assessments next due on the premises covered by this mortgage, plus the premiums that will next become due and payable on policies of fire and other hazard insurance on the premises covered hereby (all as estimated by the Mortgagor) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes, and assessments will become delinquent, such sums to be held by the Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments, before the same become delinquent.
- (c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:
 - (i) premium charges under the contract of insurance with the Federal Housing Commissioner;
 - (ii) ground rents, taxes, special assessments, fire and other hazard insurance premiums;
 - (iii) interest on the note secured hereby; and
 - (iv) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage; and the entire mortgage debt shall become due at the option of the holder hereof. The failure of the holder hereof to exercise this option or any other option given hereunder shall not be held to be a waiver of any of the terms hereof or of the note secured hereby. The Mortgagee may collect a "late charge" not to exceed two cents (2c) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total of the payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes or assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes, and assessments, and insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the mortgaged premises, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under the note, and shall properly adjust any payments which shall have been made

1. The Mortgagor covenants that he will promptly pay the principal and interest on the indebtedness evidenced by the said note, at the times and in the manner therein provided. Privilege is reserved to pay the debt in whole, or in an amount equal to one or more monthly payments on the principal that are next due on the note, on the first day of any month prior to maturity; provided, however, that written notice of an intention to exercise such privilege is given at least thirty (30) days prior to prepayment; and, provided further, that in the event the debt is paid in full prior to maturity and at that time it is insured under the provisions of the National Housing Act, he will pay to the Mortgagee an adjusted premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the Mortgagee upon its obligation to the Federal Housing Commissioner on account of mortgage insurance.

2. In order more fully to protect the security of this mortgage, the Mortgagor, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, covenants to pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

(a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth ($\frac{1}{12}$) of the annual mortgage insurance premium for the purpose of putting the Mortgagee in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Commissioner for mortgage insurance premiums pursuant to the applicable provisions of the National Housing Act, as amended, and Regulations thereunder. The Mortgagor shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner.

(b) A sum equal to the ground rents if any and the taxes and special assessments next due on the premises covered by this mortgage, plus the premiums that will next become due and payable on policies of fire and other hazard insurance on the premises covered hereby (all as estimated by the Mortgagor) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes, and assessments will become delinquent, such sums to be held by the Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments, before the same become delinquent.

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (i) premium charges under the contract of insurance with the Federal Housing Commissioner;
- (ii) ground rents, taxes, special assessments, fire and other hazard insurance premiums;
- (iii) interest on the note secured hereby; and
- (iv) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage; and the entire mortgage debt shall become due at the option of the holder hereof. The failure of the holder hereof to exercise this option or any other option given hereunder shall not be held to be a waiver of any of the terms hereof or of the note secured hereby. The Mortgagee may collect a "late charge" not to exceed two cents (2c) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total of the payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes or assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes, and assessments, and insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the mortgaged premises, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid on said note, and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

The Mortgagor covenants that he will keep the improvements now existing on the said premises, insured as may be required from time to time by the Mortgagee against fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made hereinbefore. All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss he will give immediate notice by mail to the Mortgagee, who may make proof of loss if not made promptly by the Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee, instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage or other transfer of title to the said premises in extinguishment of the indebtedness secured hereby, all right, title, and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

The Mortgagor further covenants and agrees not to commit, permit or suffer any waste, impairment or deterioration of the property or any part thereof, nor to use or permit the premises to be used for, or in violation of, any law or municipal ordinance or regulation or for any unlawful or improper purpose.

The Mortgagor covenants and agrees that so long as this mortgage and the said note secured hereby are insured under the provisions of the National Housing Act, he will not execute or file for record any instrument which imposes a restriction upon the sale or occupancy of the mortgaged property on the basis of race, color, or creed. Upon any violation of this undertaking, the Mortgagee may, at its option, declare the unpaid balance of the debt secured hereby immediately due and payable.

The Mortgagor agrees that in the event the ownership of the mortgaged premises, or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to the mortgage and the debt hereby secured, in the same manner as with the Mortgagor, without in any way violating or discharging the Mortgagee's liability hereunder or upon the debt hereby secured. No sale of the premises hereby mortgaged and no forbearance on the part of the Mortgagee and no extension of the time for the payment of the debt hereby secured given by the Mortgagee shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein, either in whole or part.

The Mortgagor further agrees that should this mortgage and the note secured hereby not be eligible for insurance under the National Housing Act within thirty days from the date hereof (written statement of any officer of the Federal Housing Administration or authorized agent of the Federal Housing Commissioner dated subsequent to the thirty days time from the date of this mortgage, declining to insure said note and this mortgage, being deemed conclusive proof of such ineligibility), the Mortgagee or the holder of the note may, at its option, declare all sums secured hereby immediately due and payable.

This mortgage is upon the STATUTORY CONDITION, for any breach of which, or for any breach of any of the aforementioned provisions or conditions, the holder hereof shall have the STATUTORY POWER OF SALE.

AND for the said consideration, we, the said grantors, being husband and wife hereby release unto the Mortgagee all rights of dower, homestead, curtesy and all other interests in the mortgaged premises.

1. The Mortgagor covenants that he will promptly pay the principal and interest on the indebtedness evidenced by the said note, at the times and in the manner therein provided, or until he is required to pay the debt in whole, or in an amount equal to one or more monthly payments on the principal that are next due on the note, on the first day of any month prior to maturity; provided, however, that written notice of an intention to exercise such privilege is given at least thirty (30) days prior to prepayment; and, provided further, that in the event the debt is paid in full prior to maturity and at that time it is insured under the provisions of the National Housing Act, he will pay to the Mortgagee an adjusted premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the Mortgagee upon its obligation to the Federal Housing Commissioner on account of mortgage insurance.

2. In order more fully to protect the security of this mortgage, the Mortgagor, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, covenants to pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

(a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of the annual mortgage insurance premium for the purpose of putting the Mortgagee in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Commissioner for mortgage insurance premiums pursuant to the applicable provisions of the National Housing Act, as amended, and Regulations thereunder. The Mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner.

(b) A sum equal to the ground rents if any and the taxes and special assessments next due on the premises covered by this mortgage, plus the premiums that will next become due and payable on policies of fire and other hazard insurance on the premises covered hereby (all as estimated by the Mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes, and assessments will become delinquent, such sums to be held by the Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments, before the same become delinquent.

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (i) premium charges under the contract of insurance with the Federal Housing Commissioner;
- (ii) ground rents, taxes, special assessments, fire and other hazard insurance premiums;
- (iii) interest on the note secured hereby; and
- (iv) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage; and the entire mortgage debt shall become due at the option of the holder hereof. The failure of the holder hereof to exercise this option or any other option given hereunder shall not be held to be a waiver of any of the terms hereof or of the note secured hereby. The Mortgagee may collect a "late charge" not to exceed two cents (2c) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total of the payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes or assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes, and assessments, and insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the mortgaged premises, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (a) of paragraph 2 preceding, as a credit against the amount of principal then remaining on the note, and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

The Mortgagor covenants that he will keep the improvements now existing on the said premises, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made hereinbefore. All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss he will give immediate notice by mail to the Mortgagee, who may make proof of loss if not made promptly by the Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee, instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage or other transfer of title to the said premises in extinguishment of the indebtedness secured hereby, all right, title, and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

The Mortgagor further covenants and agrees not to commit, permit or suffer any waste, impairment or deterioration of the property or any part thereof, nor to use or permit the premises to be used for, or in violation of, any law or municipal ordinance or regulation or for any unlawful or improper purpose.

The Mortgagor covenants and agrees that so long as this mortgage and the said note secured hereby are insured under the provisions of the National Housing Act, he will not execute or file for record any instrument which imposes a restriction upon the sale or occupancy of the mortgaged property on the basis of race, color, or creed. Upon any violation of this undertaking, the Mortgagee may, at its option, declare the unpaid balance of the debt secured hereby immediately due and payable.

The Mortgagor agrees that in the event the ownership of the mortgaged premises, or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to the mortgage and the debt hereby secured, in the same manner as with the Mortgagor, without in any way violating or discharging the Mortgagor's liability hereunder or upon the debt hereby secured. No sale of the premises hereby mortgaged and no forbearance on the part of the Mortgagee and no extension of the time for the payment of the debt hereby secured given by the Mortgagee shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein, either in whole or part.

The Mortgagor further agrees that should this mortgage and the note secured hereby not be eligible for insurance under the National Housing Act within thirty days from the date hereof (written statement of any officer of the Federal Housing Administration or authorized agent of the Federal Housing Commissioner dated subsequent to the thirty day time from the date of this mortgage, declining to insure said note and this mortgage, being deemed conclusive proof of such ineligibility), the Mortgagee or the holder of the note may, at its option, declare all sums secured hereby immediately due and payable.

This mortgage is upon the STATUTORY CONDITION, for any breach of which, or for any breach of any of the aforementioned provisions or conditions, the holder hereof shall have the STATUTORY POWER OF SALE.

AND for the said consideration, I, we, the said grantors, being husband and wife, ^{husband} ^{wife} hereby release unto the Mortgagee all rights of dower, homestead, curtesy and all other interests in the mortgaged premises.
