Including as a part of the realty all portable or sectional buildings, heating apparatus, plumbing, range, mantels, storm doors and windows, oil burners, gas and oil and electric fixtures, screens, screen doors, awnings, air conditioning apparatus, and other fixtures of whatever kind and nature, or said premises, or hereafter placed thereon prior to the full payment and discharge of this mortgage, insofar as the same are or can by agreement of the parties be made a part of the realty.

This mortgage is upon the statutory condition, and upon the further conditions:

First. That the undersigned and each subsequent owner of the equity of redemption of the real estate at any time covered by this mortgage, shall at all times be a member of the said Co-operative Bank, and shall hold one or more unmaturred, paid-up, savings or matured shares, in his own name; and that the provisions of Chapter 170 of the General Laws, as amended, and other applicable laws shall at all times be complied with; and failure to comply with this requirement shall constitute a breach of condition of this mortgage, for which the unpaid balance of the loan secured by this mortgage shall become due and payable forthwith, at the option of the said Bank;

Second. The Mortgagee is hereby specifically authorized to pay when due, or at any time thereafter, all municipal taxes, charges and assessments, and insurance premiums, upon the mortgaged property and to charge the same to the account of the Mortgagor. In order to provide the Mortgagee with sufficient funds with which to make said payments, the Mortgagor shall pay to the Mortgagee on the

first day of each month in addition to the payments of principal and interest provided for in the note secured by this mortgage, a monthly apportionment of the sum estimated by the Mortgagee to be sufficient to make all said payments as they shall become due, and any balance due for any of said payments shall be paid by the Mortgagor. If at the time of making any of said payments said Mortgagee has not received from said Mortgagor under the provisions of this paragraph sufficient funds to pay the same, the Mortgagee shall forthwith notify the Mortgagor by mail sent to his last known address, and shall request him to pay to said Mortgagee within ten days thereafter the balance due on said payment and the failure of said Mortgagor to pay to the Mortgagee such sum within said period shall be a breach of the condition of this mortgage;

Third. That the Mortgagor shall keep all and singular the said premises in such repair, order and condition as the same are now in or may be put in while this mortgage is outstanding, reasonable wear and tear and damage by fire only excepted, and shall not permit or suffer any violation of any law or ordinance affecting the mortgaged premises. The Mortgagor shall keep the buildings now or hereafter standing on said land insured against fire and (when required by the Mortgagee) also against other casualties and contingencies, in sums satisfactory to the Mortgagee; and all insurance upon said buildings shall be for the benefit of, and first payable in case of loss to the Mortgagee, and the Mortgagor shall deposit all of said insurance policies with the Mortgagee;

Fourth. That failure to comply with any of the other conditions under which this mortgage is written or failure to pay any of said installments within thirty (30) days from the date when the same becomes due notwithstanding any license or waiver of any prior breach of condition shall make the whole of the balance of said principal sum immediately due and payable at the option of the holder hereof.

For any breach of the statutory condition or for any breach of any condition of this mortgage the Mortgagee shall have the statutory power of sale.

In the event the ownership of the mortgaged premises, or any part thereof, becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to the mortgage and the debt hereby secured, in the same manner as with the Mortgagor, without in any way violating or discharging the Mortgagor's liability hereunder or upon the debt hereby secured. No sale of the premises hereby mortgaged and no forbearance on the part of the Mortgagee and no extension of the time for the payment of the debt hereby secured given by the Mortgagee shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein, either in whole or part.

Wherever the words Mortgagor and Mortgagee are used herein they shall include their several heirs, executors, administrators, successors, grantees and assigns subject to the limitations of law and of this instrument, and if the context requires, the words Mortgagor and Mortgagee and the pronouns referring to them shall be construed as plural, neuter or feminine.

In case this loan is paid in full within one year from the date hereof, the Bank reserves the right to charge the unpaid balance of one full year's interest thereon.

We, Wilfred P. Anetil and Bertha Anetil, husband and wife and mortgagor
husband and wife, respectively,

release to the mortgagee all rights of tenancy by the curtesy and other interests in the mortgaged premises.

1. The Mortgagor covenants that he will promptly pay the principal of and interest on the note evidenced by the said note, at the times and in the manner therein provided, including the privilege to pay the debt in whole, or in an amount equal to one or more monthly payments on the note, at any time, on the next due on the note, on the first day of any month prior to maturity; provided, however, that written notice of an intention to exercise such privilege is given at least thirty (30) days prior to prepayment; and, provided further, that in the event the debt is paid in full prior to maturity and at that time it is insured under the provisions of the National Housing Act, he will pay to the Mortgagee an adjusted premium charge of one per centum (1%) of the original principal amount thereof, except that in no event shall the adjusted premium exceed the aggregate amount of premium charges which would have been payable if the mortgage had continued to be insured until maturity; such payment to be applied by the Mortgagee upon its obligation to the Federal Housing Commissioner on account of mortgage insurance.

2. In order more fully to protect the security of this mortgage, the Mortgagor, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, covenants to pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

(a) If this mortgage and the note secured hereby are insured under the provisions of the National Housing Act and so long as they continue to be so insured, one-twelfth (1/12) of the annual mortgage insurance premium for the purpose of putting the Mortgagee in funds with which to discharge the said Mortgagee's obligation to the Federal Housing Commissioner for mortgage insurance premiums pursuant to the applicable provisions of the National Housing Act, as amended, and Regulations thereunder. The Mortgagee shall, on the termination of its obligation to pay mortgage insurance premiums, credit to the account of the Mortgagor all payments made under the provisions of this subsection which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner.

(b) A sum equal to the ground rents if any and the taxes and special assessments next due on the premises covered by this mortgage, plus the premiums that will next become due and payable on policies of fire and other hazard insurance on the premises covered hereby (all as estimated by the Mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes, and assessments will become delinquent, such sums to be held by the Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments, before the same become delinquent.

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be applied by the Mortgagee to the following items in the order set forth:

- (i) premium charges under the contract of insurance with the Federal Housing Commissioner;
- (ii) ground rents, taxes, special assessments, fire and other hazard insurance premiums;
- (iii) interest on the note secured hereby; and
- (iv) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage; and the entire mortgage debt shall become due at the option of the holder hereof. The failure of the holder hereof to exercise this option or any other option given hereunder shall not be held to be a waiver of any of the terms hereof or of the note secured hereby. The Mortgagee may collect a "late charge" not to exceed two cents (2¢) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total of the payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes or assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes, and assessments, and insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of (a) of paragraph 2 hereof which the Mortgagee has not become obligated to pay to the Federal Housing Commissioner, and any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the mortgaged premises, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under the note and shall properly adjust any payments which shall have been made under (a) of paragraph 2.

ASTORIA COUNTY REGISTER OF DEEDS PREVENTED FROM BEING RECORDED

ASTORIA COUNTY REGISTER OF DEEDS PREVENTED FROM BEING RECORDED

The Mortgagor covenants that he will keep the improvements now existing hereon insured on the said premises, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provided for payment of which has not been made hereinbefore. All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss he will give immediate notice by mail to the Mortgagee, who may make proof of loss if not made promptly by the Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee, instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage or other transfer of title to the said premises in extinguishment of the indebtedness secured hereby, all right, title, and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

The Mortgagor further covenants and agrees not to commit, permit or suffer any waste, impairment or deterioration of the property or any part thereof, nor to use or permit the premises to be used for, or in violation of, any law or municipal ordinance or regulation or for any unlawful or improper purpose.

The Mortgagor covenants and agrees that so long as this mortgage and the said note secured hereby are insured under the provisions of the National Housing Act, he will not execute or file for record any instrument which imposes a restriction upon the sale or occupancy of the mortgaged property on the basis of race, color, or creed. Upon any violation of this undertaking, the Mortgagee may, at its option, declare the unpaid balance of the debt secured hereby immediately due and payable.

The Mortgagor agrees that in the event the ownership of the mortgaged premises, or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to the mortgage and the debt hereby secured, in the same manner as with the Mortgagor, without in any way violating or discharging the Mortgagor's liability hereunder or upon the debt hereby secured. No sale of the premises hereby mortgaged and no forbearance on the part of the Mortgagee and no extension of the time for the payment of the debt hereby secured given by the Mortgagee shall operate to release, discharge, modify, change or affect the original liability of the Mortgagor herein, either in whole or part.

The Mortgagor further agrees that should this mortgage and the note secured hereby not be eligible for insurance under the National Housing Act within thirty days from the date hereof (written statement of any officer of the Federal Housing Administration or authorized agent of the Federal Housing Commissioner dated subsequent to the thirty days time from the date of this mortgage, declining to insure said note and this mortgage, being deemed conclusive proof of such ineligibility), the Mortgagee or the holder of the note may, at its option, declare all sums secured hereby immediately due and payable.

This mortgage is upon the STATUTORY CONDITION, for any breach of which, or for any breach of any of the aforementioned provisions or conditions, the holder hereof shall have the STATUTORY POWER OF SALE.

AND for the said consideration, we, the said grantors, being husband and wife, ~~xxxx~~ ~~xxxxxx~~ ~~xxx~~ hereby release unto the Mortgagee all rights of dower, homestead, curtesy and all other interests in the mortgaged premises.
